PUBLIC NOTICE

Date: 02 November 2021

The candidates of NEET (UG) - 2021 are hereby informed that this time, as per the announcement done earlier, for the purpose of ranking the tie-breaking criteria of age (as per past practice) has not been used.

Accordingly, the first 'All India Rank for Counseling' is without the tie-breaking criteria of age. However, since for the purpose of counseling unique ranks are required, the second 'All India Rank for Counseling' also takes into account the tie-breaking criteria of age.

In view of the foregoing, in place of the first 'All India Rank for Counseling', a new field "NEET All India Rank" has been mentioned for more clarity.

Candidates may, if they wish so, download their scorecard again.

(Dr. Sadhana Parashar)
Senior Director [NEET (UG)]
