NTA Scores are normalized scores across multi-session papers and are based on the relative performance of all those who appeared for the examination in one session. The marks obtained are converted into a scale ranging from 100 to 0 for each session of examinees.

The NTA Score of a Candidate has been calculated as follows:

100 X Number of candidates appeared in the 'Session' with raw score EQUAL TO OR LESS than the candidate
Total number of the candidates who appeared in the 'Session'

NTA score is not the same as the percentage of marks obtained.

The candidate's particulars including Category and Person with Disability (PwD) have been indicated as mentioned by the candidate in the online Application Form.

After both Sessions of JEE (Main) - 2022 Examination, the ranks of the candidates will be released taking into consideration the best of the two NTA Scores in accordance with the policy already made.

The Examination was conducted completely in CBT mode.

In order to make the examination system transparent, the Question Paper and recorded responses along with Answer Key were displayed on the website for verification by examinees. After verifying by the Subject Experts, Revised Answer Key were published on the website.

A Control Room was opened in the NTA premises where Virtual Observers were deployed for live CCTV coverage of all Examination Centres in India. Live CCTV Surveillance was done to curb malpractices in the examinations. The NTA has also made arrangements for live viewing at remote location and recording CCTVs Systems of all examination centres at Control Room situated in the NTA. A total of approximately **35000 cameras** per shift were installed.

Jammers: In order to stop cheating using mobile networks, Jammers were installed in all the Centres to prevent unfair practice by the candidates during the examination through mobile or any other electronic device. A total of about **29000 jammers** per shift in all 14 shifts were put in place.

The examinations were conducted with due COVID-19 precautions.

The NTA Scores for Paper 2A (B.Arch.) and 2B (B.Planning) will be issued in next few days.
