The Examination was monitored in the following ways:-

- A Central Control Room was opened to monitor and facilitate the smooth conduct of the Examination on the ground. **02** National Coordinators, **18** Regional Coordinators, **303** City Coordinators, **1083** Observers, 150 Technical Observers, and **162** Deputy Observers were deployed.

- Live CCTV Surveillance was planned in all examination centres to curb malpractices in the examination. The NTA also made arrangements for live viewing of remote locations of all

examination centres from the Control Room located in the NTA premises of New Delhi. Recording of CCTV Systems was also done.

- The examination centres were also monitored using AI-based Video Analytics and Virtual Observers.

- In order to stop cheating using mobile networks, Jammers were installed in all the Centres to prevent unfair practices by the candidates during the examination through mobile or any other electronic device. **The latest 5G Jammers** were installed at all examination Centres for the first time.

The NTA took various steps to ensure candidates were facilitated at every stage of the examination. The first time, the following initiatives were taken by the NTA for the smooth conduct of the examination:

➢ AADHAAR Authentication was done at all examination Centres.

➢ **A detailed training programme was organized to curb electronic malpractices during the examination. Accordingly, the Technical Observers were identified and trained to focus on technical parameters to prevent malpractices.**

➢ If a candidate went for bio-break /toilet, he/she was asked to undergo the mandatory frisking and biometrics again.

➢ Bio-breaks were not allowed during the first hour and the last half an hour before the end of the test.

➢ Apart from the biometric attendance and frisking at entry, candidates were frisked, and biometric attendance was taken again on entry from the bio-break/toilets break.

➢ The PwD candidates were allotted to a PwD-friendly test Centre and extra organizational support was given to those candidates.

➢ For the centres outside India, close coordination was done with the Embassy of India / High Commission of India in those countries.

The JEE (Main) being one of the most sensitive examinations, NTA made elaborate arrangements at various levels and took help from State Authorities for the smooth conduct of the examination.

To make the candidates and their parents aware of the rules and regulations of the examination, candidates were sent various e-mails on their registered e-mail numbers. SMS was also sent to all the candidates to download "Important Advisory and Instructions to the candidates for JEE (Main) - 2024" along with the Admit Card.

The NTA Score of 02 candidates has not been declared.

NTA Scores are normalized scores across multi-session papers and are based on the relative performance of all those who appeared for the examination in one session. The marks obtained are converted into a scale ranging from 100 to 0 for each session of examinees.

The NTA Score of a Candidate has been calculated as follows:

<u>100 X Number of candidates appeared in the 'Session' with raw score EQUAL TO OR LESS than the candidate</u>
Total number of candidates who appeared in the 'Session'

NTA score is not the same as the percentage of marks obtained.

The candidate's particulars including Category and Person with Disability (PwD) have been indicated as mentioned by the candidate in the online Application Form.

After both Sessions of the JEE (Main) - 2024 Examination for Paper 1, the ranks of the candidates will be released taking into consideration the best of the two NTA Scores in accordance with the policy already made.

The Examination was conducted completely in CBT mode. The entire examination for all shifts was conducted smoothly and successfully.

In order to make the examination system transparent, the Question Paper and recorded responses along with the Answer Key were displayed on the website for verification by examinees. After verification by the Subject Experts, the Revised Answer Keys were published on the website.

The **NTA Scores for Paper 2A (B.Arch.) and 2B (B.Planning)** for the JEE (Main) – 2024 Session 1 will be issued in the next few days.
