1. **“**” NTA Scores are normalised scores across multi session papers and** are based on the relative performance of all those who appeared for the examination in one session. The marks obtained are converted into a scale ranging from 100 to 0 for each session of examinees.
2. **The NTA Score indicates the percentage of candidates that have scored EQUAL TO OR BELOW (same or lower raw scores) that particular Percentile in that session.**
3. **The Percentile scores of a Candidate have been calculated as follows:**

$$\frac{100 \times \text{Number of candidates appeared in the 'Session' with raw score EQUAL TO OR LESS than the candidate}}{\text{Total number of the candidates appeared in the 'Session'}}$$
4. The NTA Score of the Total is **NOT** an aggregate or average of the NTA Score of individual subject.
5. **NTA** score is not the same as percentage of marks obtained.
6. Candidate's particulars including Category and Person with Disability (PwD) have been indicated as mentioned by the candidate in the online application form.
7. **After the JEE MAIN APRIL-2019 Exam , the Ranks of the candidates will be released taking into consideration better of the two NTA Scores of all candidates appeared in JAN 2019 and APRIL 2019 examinations and in accordance with the policy already made available on the website <https://jeemain.nic.in>.**
8. **NTA Score for Paper-II (B.Arch. &B. Planning) will be declared later on.**
9. The Examination was conducted completely in CBT mode for the first time.
10. For the first time, the candidates have the choice to appear in one/ two examinations for admission.
11. In order to make the examination system transparent, the Question Paper and recorded responses were displayed in the website for the verification by examinees.
12. To ensure accuracy and transparency of result, the keys of question papers were displayed in advance to invite challenges by the candidates.
13. For the first time in nationwide competitive examinations, live CCTV Surveillance was carried out.
