The results of candidates have also been shared with the Universities where the candidates had applied. Candidates are advised to be in touch with the respective universities and Institutions for further details.

For the CUET (PG), NTA made elaborate arrangements at various levels and took help from State Authorities for the smooth conduct of the examination.

To make the candidates and their parents aware of the rules and regulations of the examination, candidates were sent various messages (SMS) on their registered mobile numbers. SMS was also sent to all the candidates to download "Important Advisory for CUET (PG) - 2023" along with the Admit Card.

Moreover, the NTA took various steps to ensure candidates are facilitated at every stage of the examination. The steps taken by the Agency are enclosed in **Annexure 1**.

Annexure 1

Initiatives taken by the NTA to facilitate the candidates:

In order to ensure more participation from the candidates throughout India and to facilitate them, NTA opened CUET (PG) – 2023 Examination Help Centres to ensure awareness and to help provide equal opportunities to the candidates, especially from rural and remote areas.

The Centres were opened in **Kamrup, Amritsar, Kota, Jaipur, Jalandhar, Mumbai, Ernakulam, Trivandrum, Durg, Khurda, Chennai, Chittoor, Ambikapur, West Champaran, Ghaziabad, Bengaluru, Malajgiri, Kurnool, Malda, Kangra, Vijayawada, Leh, Srinagar, Anantnag, Baramulla, Pulwama, Ahmedabad, Kollam, Bilaspur, and Narsinghar.**

Each Centre had one dedicated Technical person in charge who helped the candidates in filling the Application Form online. The candidates could go to their near Help Centre with the required documents and fill in the form. **This Helpline service was provided free of cost.**

Moreover, in the UT of **Jammu & Kashmir** where a phenomenal increase of candidates was witnessed in 2023, the NTA facilitated the creation of an NTA Centre to accommodate candidates from J & K.

The State of **Jharkhand** also saw an upsurge this year, where **36251** candidates with multiple test papers were scheduled. To facilitate candidates, an NTA Centre was also opened at Ranchi University so that more candidates could be accommodated in the State.

As far as **Manipur** is concerned, **8144** candidates with multiple test papers were registered. The candidates who earlier opted to appear in Manipur for the CUET (PG) – 2023 examination were given an opportunity to change their city through the Interactive Voice Response System (IVRS) facility. A message in this regard was sent to each candidate on his/her mobile number registered with the online Application Form for the respective exam. On receipt of city change options from the willing/interested candidates, they were allocated an exam Centre in the preferred City and their Admit Cards were issued accordingly.

The option to change the City for the examination was also made available to those candidates in the state of Manipur who had not appeared in/missed the CUET (PG) – 2023 examination due to the law and order situation, irrespective of whether they had downloaded their Admit Cards or not.
