Food Laws and Standards

Section Id : 709597130
Section Number : 1
Section type : Online
Mandatory or Optional: Mandatory
Number of Questions: 100
Number of Questions to be attempted: 100
Section Marks: 100
Display Number Panel: Yes
Group All Questions: No

Sub-Section Number: 1
Sub-Section Id: 709597150
Question Shuffling Allowed : Yes

Question Number : 1 Question Id : 70959712582 Question Type : MCQ Option Shuffling : No Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Except which one of the following all other cases fall under misbranding or misleading statement category?

- (1). Claims regarding quality, nutritive value or place of origin of food not in consistent with facts
- (2). Nutrition/Health claims not supported by scientific evidence
- (3). Product does not meet the prescribed quality standards
- (4). Declarations on packages/labels are not as per the Regulations

Question Number : 2 Question Id : 70959712583 Question Type : MCQ Option Shuffling : No Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which one of the following does not come under the purview of Registration?

- (1). Who manufactures food and sells himself
- (2). Who manufactures fruit products up to 200 kg per day
- (3). Who procures and sells milk up to 500 litres per day
- (4). Whose annual turnover is rupees 10 lakhs

Question Number : 3 Question Id : 70959712584 Question Type : MCQ Option Shuffling : No Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Those items which can be imported only by the agencies designated in the Foreign Trade Policy announced by the DGFT under Section 5 of the Foreign Trade Act, 1992.

- (1). Restricted items
- (2). Prohibited Items
- (3). Canalized Items
- (4). None of these

Question Number : 4 Question Id : 70959712585 Question Type : MCQ Option Shuffling : No Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Full form of EIC

- (1). Export Inspection Council of India
- (2). Export Inspection Agency
- (3). Export Inquiry Council
- (4). None of these

Question Number : 5 Question Id : 70959712586 Question Type : MCQ Option Shuffling : No Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

As per definition of adulterant which one of the following is not a case of adulteration?

- (1). Addition of extraneous matter which makes food sub-standard
- (2). Addition of a substance which makes food unsafe
- (3). Presence of pesticide residues due to excessive use by farmers
- (4). Mis-branding of food by false claims or misleading statement about quality

Question Number : 6 Question Id : 70959712587 Question Type : MCQ Option Shuffling : No Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The following is not an adulterant in milk:

- (1). Added Water
- (2). Antibiotic residues
- (3). Urea
- (4). Starch

Question Number : 7 Question Id : 70959712588 Question Type : MCQ Option Shuffling : No Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of the following does not come under Central Licensing?

- (1). Unit producing 2000 MT Milk Powder per annum
- (2). Unit processing 2-3 MT fruits/ vegetables per day
- (3). Meat processing unit producing 1 MT meat per day
- (4). Importer importing ingredients and additives for sale

Question Number : 8 Question Id : 70959712589 Question Type : MCQ Option Shuffling : No Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

In which year was Codex set up?

- (1). 1970
- (2). 1830
- (3). 1953
- (4). 1963

Question Number : 10 Question Id : 70959712591 Question Type : MCQ Option Shuffling : No Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

ISO standards are

- (1). Mandatory
- (2). Voluntary
- (3). Regulatory
- (4). Legal

Question Number : 11 Question Id : 70959712592 Question Type : MCQ Option Shuffling : No Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Secretariat of FAO is located in which city?

- (1). Rome
- (2). USA
- (3). France
- (4). Japan

Question Number : 12 Question Id : 70959712593 Question Type : MCQ Option Shuffling : No Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Base unit of weights and measures is which one of the following :

- (1). Mass in kg
- (2). Length in meter
- (3). Electric current is in ampere
- (4). All of above

Question Number : 13 Question Id : 70959712594 Question Type : MCQ Option Shuffling : No Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which one of the following is a harmful adulterant commonly used for colouring Sweet meat?

- (1). Saccharin
- (2). Aluminium foil
- (3). Metanil yellow
- (4). Caramel colour

Question Number : 14 Question Id : 70959712595 Question Type : MCQ Option Shuffling : No Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

EIC renders services through

- (1). APEDA
- (2). EIAs
- (3). FSSAI
- (4). Tea Board

Question Number : 15 Question Id : 70959712596 Question Type : MCQ Option Shuffling : No Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The Registration Officer for Petty Food Business Operators is:

- (1). Authorized Officer at Panchyat or Municipal bodies
- (2). Food Safety Officer of the area
- (3). Designated Officer of the District
- (4). All of above
