

# National Testing Agency

**Question Paper Name:** Certificate Course in Environment Sustainability 09th November 2019 Shift 1  
**Subject Name:** Certificate Course in Environment Sustainability  
**Creation Date:** 2019-11-09 15:06:29  
**Duration:** 180  
**Total Marks:** 100  
**Display Marks:** Yes

## Certificate Course in Environment Sustainability

**Group Number :** 1  
**Group Id :** 709597261  
**Group Maximum Duration :** 0  
**Group Minimum Duration :** 120  
**Revisit allowed for view? :** No  
**Revisit allowed for edit? :** No  
**Break time:** 0  
**Group Marks:** 100

## Certificate Course in Environment Sustainability

**Section Id :** 709597338  
**Section Number :** 1  
**Section type :** Online  
**Mandatory or Optional:** Mandatory  
**Number of Questions:** 100  
**Number of Questions to be attempted:** 100  
**Section Marks:** 100  
**Display Number Panel:** Yes  
**Group All Questions:** No

**Sub-Section Number:** 1  
**Sub-Section Id:** 709597433  
**Question Shuffling Allowed :** Yes

**Question Number : 1 Question Id : 70959723686 Question Type : MCQ Option Shuffling : No Display Question Number : Yes**  
**Single Line Question Option : No Option Orientation : Vertical**  
**Correct Marks : 1 Wrong Marks : 0**

In a collective farm, there are 4 employees, A, B, C and D. While A, B and C work hard and contribute equally to produce the farm output, D does not do his work and contributes practically nothing to the output. However, farm output is divided equally among all 4 employees, namely A, B, C and D. Here, D is:

1. Steam rolling
2. Free riding
3. Stone-walling
4. None of the above

Question Number : 2 Question Id : 70959723687 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Article 21 of the Indian Constitution deals with

1. Right to ownership of property
2. Right to freedom of profession
3. Right to life
4. None of the above

Question Number : 3 Question Id : 70959723688 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The Brundtland Commission is associated with the work

1. Silent Springs
2. God of small things
3. The wonder that was India
4. None of the above

Question Number : 4 Question Id : 70959723689 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The "Taj Trapezium Case" is associated with

1. Adv. Raj Krishna
2. Adv. M.C. Mehta
3. Adv. Soli Sohrabji
4. None of the above

Question Number : 5 Question Id : 70959723690 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The Generalized System of Preferences is made applicable based on

1. The political practices of countries
2. The level of Cultural Practices of Countries
3. The Level of Development of Countries
4. The Level of Social practices of Countries

Question Number : 6 Question Id : 70959723691 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Article 48A of the constitution deals with

1. The right to life
2. Protection and improvement of environment and safeguarding of forests and wildlife
3. Duty of every citizen of India to protect and improve the natural environment including forests, lakes, rivers and wild life and to have compassion for living creatures
4. None of the above

Question Number : 7 Question Id : 70959723692 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of the following GATT articles include a provision for the protection of the environment

1. Article XX (d)
2. Article XX (c)
3. Article XX (b)
4. Article XX (j)

Question Number : 8 Question Id : 70959723693 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

From the perspective of the list of persons empowered to deal with animal trophies under the Wild Life Act 1972, **pick the odd one out**

1. A licenced Taxidermist
2. A licensed meat dealer
3. A Public servant
4. A licensed dealer in captive animals.

Question Number : 9 Question Id : 70959723694 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of the following cases is not related to environment protection

1. Taj Trapezium Case
2. Godavarman Thirumulpad cases
3. Maneka Gandhi V. Union of India
4. UP Pollution Control Board V. Mohan Meakins

Question Number : 10 Question Id : 70959723695 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Prior Informed Consent (PIC) under the Convention of Biological Diversity(CBD) should include the following

1. Legal certainty and clarity
2. Access to genetic resources should be at minimum cost
3. Restrictions on access to genetic resource should be transparent and based on legal grounds and should not run contrary to the objectives of the convention
4. All of the above

Question Number : 11 Question Id : 70959723696 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The Gadgil committee and the Kasturirangan committee reports pertain to the

1. Eastern Ghats
2. Western Ghats
3. Himalayan Ecology
4. Radhanagar Beach Ecology of the Andaman Islands

Question Number : 12 Question Id : 70959723697 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

In order to target negative externalities related to the environment, which of the following would you prefer

1. Nelson tax
2. Pigovian Tax
3. Phantom Tax
4. Persian Tax

Question Number : 13 Question Id : 70959723698 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The concept of *Non-Excludability* is normally associated with

1. Public Good
2. Private Good
3. Investment Good
4. Personal Good

Question Number : 14 Question Id : 70959723699 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of the following Acts are similar in their contents

1. CRZ norms and wildlife Act
2. The Forest Act and Water Act
3. The Water Act and the Air Act
4. None of the above

Question Number : 15 Question Id : 70959723700 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of the following is a case associated with the protection of coastal areas/ zones

1. Greater Noida industrial development authority Vs Devendra Kumar and others
2. Fomento Resorts & Hotels Ltd Vs Minguel Martins
3. Donogue Vs Stevenson
4. Corfu Channel Case

Question Number : 16 Question Id : 70959723701 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of the following is not a feature of the concept of “Adaptive Co-management”

propounded by the Gadgil Committee on Western Ghats

1. Synthesis of different knowledge system
2. Learning by doing
3. Collaboration and power share among community, regional and national level
4. Rigid Management Policy

Question Number : 17 Question Id : 70959723702 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of the following is not a recommendation of the Gadgil Committee on the Western Ghats

1. Majority of the Western Ghat area should be demarcated as ecologically sensitive zones (ESZ1 or 2)
2. new special economic zones may not be allowed in the ghat area
3. no new dams may be commissioned in entire zone of ESZ1
4. tourism need not be regulated

Question Number : 18 Question Id : 70959723703 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of the following is not a criticism levelled against the implementation of Clean Development Mechanism(CDM)

1. adverse policy incentives worsen the baseline on which the calculations of emissions are made
2. lack of effective alternative approaches
3. have focused more on certain regions like China & India whereas the poorest regions of the world such as Sub-saharan Africa have benefited the least from it
4. CDMs do not have the backing and support of the UN system

Question Number : 19 Question Id : 70959723704 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of the following is a cardinal Principle of the Convention on Bio-Diversity

1. every nation shall have the sovereign right to exploit their own bio- resources in accordance with environmental policies
2. No nation shall have sovereignty over their bio-resources
3. International corporations need not ask permission from the national governments to access bio-resources of the host countries
4. The United Nations and its specialized agencies shall decide upon the use of bio-resources in each country.

Question Number : 20 Question Id : 70959723705 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of the following is/are elements of in-situ conservation

1. Promote the protection of eco system's natural habitats and maintenance of in their natural surroundings
2. Promote environmentally sound and sustainable development in areas adjacent to protected areas with a view to furthering protection in these areas
3. Rehabilitate and restore degraded eco system and promote the recovery of threatened species through development and implementation of management strategies
4. All of the above

Question Number : 21 Question Id : 70959723706 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Why is Article 8(J) an important aspect in the Convention on Bio-Diversity

1. It elucidates the importance of National Reports
2. Under Article 8(J) of the convention parties undertook to respect, preserve and maintain the knowledge innovations and practices of indigenous and local communities relevant to the conservation of bio diversity
3. Article 8(J) ensures the ensure safe handling, transport and use of Living Modified Organisms (LMO)
4. Article 8(J) establishes the Global Environmental Facility (GEF).

Question Number : 22 Question Id : 70959723707 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of the following is not a principle associated with the Bonn Guidelines

1. The guidelines affect the sovereign rights of states over natural resources
2. The guidelines are not a substitute for national legislation
3. The guidelines are intended to be of a voluntary nature, easy to use, practical, acceptable, complementary, evolutionary, flexible and transparent
4. These guidelines do not alter the rights and obligations given under the convention of the bio diversity

Question Number : 23 Question Id : 70959723708 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of the following is a salient feature of a good Prior Informed Consent (PIC)

1. Restrictions on access to genetic resource should not be transparent or based on legal grounds
2. Consent of the relevant competent authority in the provider state, indigenous and local communities and other stakeholders should be obtained
3. Access to genetic resources should be at market cost
4. All of the above

Question Number : 24 Question Id : 70959723709 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Consider the following events that hypothetically happened with regard to a committee constituted under Section 3 of the Forest Conservation Rules, 1981:

- A. The Chairman of the committee, Mr. X calls for meetings once in 5 months
- B. On 25<sup>th</sup> April, 1989, the day on which a meeting of the committee was convened, Mr. X had to urgently visit a medical practitioner due to a sudden bout of food poisoning. On account of the same, the meeting is chaired by Mrs. T, the senior-most member of the committee
- C. On 5<sup>th</sup> October 1989, the Chairman decides that he will hold the next meeting of the committee near Kannavam forest, where there is a proposal to use forest land for non-forest purpose. He feels that necessary inspection can be carried out easily at the site by the committee.
- D. Mr. Z. a non-official member of the committee suddenly becomes of unsound mind and causes wanton destruction to the meeting premises. His medical condition (of insanity) is certified by a competent medical practitioner. The Competent Authority announces that he no longer holds the position of member of the committee.

On the basis of the information given above of the above mentioned options can be **approved as legal** under the Forest Conservation Rules 1981:

1. Option "A" alone
2. Options "B" and "C"
3. Options "B", "C" and "D"
4. Options "A" and "D"

Question Number : 25 Question Id : 70959723710 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The Environmental Impact of greater economic integration (including international trade) evident from General Equilibrium modelling is primarily based on which of the following interacting element/s

1. Scale Effect
2. Composition Effect
3. Technique Effect
4. All of the Above

Question Number : 26 Question Id : 70959723711 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Energy Sources can be broadly categorized into

1. Simple and complex
2. Type A and Type B
3. Renewable Energy and Non-renewable Energy
4. None of the above

Question Number : 27 Question Id : 70959723712 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Energy that can be replenished by natural processes in the environment is called

1. Non- Renewable Energy
2. Renewable Energy
3. Both (1) and (2)
4. None of the above

Question Number : 28 Question Id : 70959723713 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The process of conserving rain water in our homes, is referred to as

1. Water Cycle
2. Water Management
3. Water Harvesting
4. None of the above

Question Number : 29 Question Id : 70959723714 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

When consumers tend to acquire items in greater quantities, it is referred to as

1. Buying
2. Shopping
3. Consumerism
4. None of the above

Question Number : 30 Question Id : 70959723715 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

In Solar Thermal Technology, we meet our energy requirements by using

1. Sunlight
2. Sun's heat
3. Sunlight and Sun's heat
4. None of the above

Question Number : 31 Question Id : 70959723716 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The greatest and a natural source of energy is

- 1.LPG
- 2.Coal
- 3.Sun
- 4.None of the above

Question Number : 32 Question Id : 70959723717 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

When solar panels are In series connection,

1. current is constant but voltage gets added up
2. both current and voltage is constant
3. current is added up but voltage is constant
4. None of the above

Question Number : 33 Question Id : 70959723718 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The cells used to generate electricity from sunlight is

1. galvanic cells
2. generic cells
3. Photovoltaic cells
4. none of the above

Question Number : 34 Question Id : 70959723719 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

When both wind turbine and solar panels can be combined together to meet power needs,  
it is referred to as

1. Complex system
2. Combiner system
3. Solar wind hybrid system
4. None of the above

Question Number : 35 Question Id : 70959723720 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Some concerns in using Wind Energy are:

1. Creates noise which may cause disturbance to inhabitants in its vicinity
2. Blades of the turbine may harm the birds
3. There is a limit upto which wind energy can be hamessed
4. All the above

Question Number : 36 Question Id : 70959723721 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Electricity can be generated from salt water by

1. Electromagnetic method
2. Hydraulics
3. Electrolytic method
4. None of the above

Question Number : 37 Question Id : 70959723722 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Sustainable Development Goals (SDGs) has been put forth by

1. India
2. World Bank
3. United Nations
4. IMF

Question Number : 38 Question Id : 70959723723 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

International Environment Day is celebrated on

1. September 1
2. January 1
3. June 5th
4. November 1

Question Number : 39 Question Id : 70959723724 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which among the following are Sustainable Development Goals (SDGs)?

1. Responsible Production and Consumption
2. Clean Water and Sanitation
3. Affordable and Clean Energy
4. All of the above

Question Number : 40 Question Id : 70959723725 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The type of waste produced, as a result of usage of electronic products is

1. Medical waste
2. Industrial waste
3. e-waste
4. Wet waste

Question Number : 41 Question Id : 70959723726 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The study of the interaction of environment or the surrounding aspects and human behaviour

1. Environmental Philosophy
2. Environmental Pollution
3. Environmental Psychology
4. None of the above

Question Number : 42 Question Id : 70959723727 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Reuse, Reduce and Recover is an approach for

1. Waste Management
2. Waste segregation
3. Waste Creation
4. None of the above

Question Number : 43 Question Id : 70959723728 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

*When whatever power consumed by a building is produced by the building itself, it is referred to as*

1. Energy Neutrality
2. Energy Solvency
3. Energy Positivity
4. Energy Surplus

Question Number : 44 Question Id : 70959723729 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

*As a consumer, choice of products, consumption, waste generation and waste disposal*

1. may or may not have an impact on environment
2. have a crucial impact on environment sustainability
3. has a neutral impact on environment sustainability
4. None of the above

Question Number : 45 Question Id : 70959723730 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

*Solar powered transport is to be encouraged as it*

1. Helps reduce green house gas emissions from transportation sector
2. Uses Solar power which is a renewable source
3. Does not depend on Fossil fuels
4. All of the above

Question Number : 46 Question Id : 70959723731 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

*The technology used in generating electricity from solar panels is referred to as*

1. Green technology
2. Sunlight technology
3. Photovoltaic technology
4. None of the above

Question Number : 47 Question Id : 70959723732 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

*Which of the following is true regarding Solar powered boat?*

- 1.It cannot carry passengers
- 2.It is not reliable
- 3.It is environment friendly
- 4.None of the above

Question Number : 48 Question Id : 70959723733 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

*As an environment conscious society, we should encourage transport system that is*

1. Diesel based
2. Petrol based
3. Sustainable
4. Robotic

Question Number : 49 Question Id : 70959723734 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

*The type of solar type water heater that works on the principle of creating a vacuum, is*

1. Flat Type Collector
2. Evacuated Tube Collector
- 3 Both 1 & 2
4. None of the above

Question Number : 50 Question Id : 70959723735 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

*Which of the following statements best applies to Solar Energy*

1. Renewable and easily available during daytime
2. Non-renewable energy source
3. Renewable energy source
4. Non-Renewable and easily available during daytime

Question Number : 51 Question Id : 70959723736 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

*Who said the lines “Real wealth does not consist of jewellery and money, but providing for proper food, clothes, education and creating healthy conditions of living for every one of us. A country can be called prosperous and free only when its citizens can easily earn enough to meet their needs”*

1. E. Barbier
2. Nelson Mandela
3. Mahatma Gandhi
4. None of the above

Question Number : 52 Question Id : 70959723737 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Who defined this “Sustainable development as the development that meets the needs of the present without compromising on the ability of future generations to meet their own needs”?

1. Mahatma Gandhi
2. E. Barbier
3. Brundtland Commission
4. Nelson Mandela

Question Number : 53 Question Id : 70959723738 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of the following is a part of the Ecological Process?

1. Rivers
2. Mountains
3. Flora and Fauna
4. All of the above

Question Number : 54 Question Id : 70959723739 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

In the case *K. Hussain V. Union of India*, the issue related to

1. the supply of potable water by pumping ground water in the Islands of Lakshadweep
2. the supply of potable water by pumping ground water in the Islands of Andaman and Nicobar.
3. Deforestation in the Western Ghats
4. None of the above

Question Number : 55 Question Id : 70959723740 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

What is one of the major factors which entirely changed the relationship between humans and environment?

1. First World war
2. Industrial Revolution
3. Both (a) and (b)
4. None of the above

Question Number : 56 Question Id : 70959723741 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of these is an outcome of Industrialization?

1. Deforestation
2. Ozone depletion
3. Pollution
4. All of the above

Question Number : 57 Question Id : 70959723742 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The case State of Gujarat V. Mirzapur Moti Kureshi Kassab Jamat (2006) related to

1. Animal Racing
2. Cruelty against aged milch animals
3. Bonded Labour
4. None of the above

Question Number : 58 Question Id : 70959723743 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of these are renewable sources of energy?

1. Sunlight
2. Tubelight
3. Both (1) and (2)
4. None of the above

Question Number : 59 Question Id : 70959723744 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of these cause Soil Pollution?

1. Urban Waste
2. Industrial Waste
3. Nuclear Plant Waste
4. All of the above

Question Number : 60 Question Id : 70959723745 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of these are non-biodegradable pollutants?

1. Plastic
2. Mercury
3. Both (a) and (b)
4. None of the above

Question Number : 61 Question Id : 70959723746 Question Type : MCQ Option Shuffling : No Display Question Number : Yes  
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0
