Correct Marks : 1 Wrong Marks : 0

According to Hauser and Duncan, the subject matter of demography is not grouped into?

- a. Formal demography
- b. Mathematical demography
- c. Political demography
- d. Social demography

Question Number : 4 Question Id : 4165293979 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The balanced view of the term demography has been given by

- a. Duncan
- b. Thompson and Lewis
- c. Peterson
- d. Hauser

Question Number : 5 Question Id : 4165293980 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Demography includes "both demographic analysis and population studies". This is suggested by

- a. W.G Barclay
- b. Donald. J. Bague
- c. Frank Lorimar
- d. G.A Harrison

Question Number : 6 Question Id : 4165293981 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Malthus wrote the Essay on the Principle of Population in?

- a. 1798
- b. 1788
- c. 1898
- d. 1888

Question Number : 7 Question Id : 4165293982 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

According to Malthus, exponential population growth is linked with?

- a. Fertility
- b. Food supply
- c. Human well - being
- d. Death rate

Question Number : 8 Question Id : 4165293983 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

According to Malthus, naturally occurring checks on population growth does not include?

- a. Famine
- b. Disease
- c. War
- d. Early marriage

Question Number : 9 Question Id : 4165293984 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

There was a potential for a population increase to 256 billion within?

- a. 100
- b. 200 years
- c. 25
- d. 30

Question Number : 10 Question Id : 4165293985 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Malthus predicts that population will double itself in?

- a. 30 years
- b. 35 years
- c. 25 years
- d. 40 years

Question Number : 11 Question Id : 4165293986 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Who gave idea of the optimum population theory in his "Principles of Political Economy"

- a. Sidgwick
- b. Dalton
- c. Robbins
- d. Cannan

Question Number : 12 Question Id : 4165293987 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

"Optimum population is that which gives the maximum income per head". Who gave this definition?

- a. Robbins
- b. Carr-Saunders
- c. Dalton
- d. Cannan

Question Number : 13 Question Id : 4165293988 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

According to Dalton, the deviation of actual population from the optimum population is known as

- a. Best population
- b. Worst population
- c. Misjudgment
- d. Maladjustment

Question Number : 14 Question Id : 4165293989 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Under-- population leads to

- a. Capital shortage
- b. Labour shortage
- c. Land shortage
- d. Technology shortage

Question Number : 15 Question Id : 4165293990 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Over-- population means more men share limited resources

- a. Scarce resources
- b. Unlimited resources
- c. Limited resources
- d. Capital resources

Question Number : 16 Question Id : 4165293991 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

According to Leibenstein, which of the following factors are not responsible for depressing per capita income in under-- - developed countries

- a. zero-- sum entrepreneurial activities
- b. conservative activities of organized and unorganized labour
- c. the resistance to new knowledge and ideas and attachment to old ideas
- d. the low capital- output ratio

Question Number : 17 Question Id : 4165293992 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

A sufficiently large critical minimum effort is reQue:uired to sustain a rapid rate of economic growth, which will not lead to

- a. anexpansion of growth agents
- b. high capital-output ratio
- c. weak income depressing forces
- d. a social environment promoting social and economic mobility

Question Number : 18 Question Id : 4165293993 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of the following factors not determine the need for the minimum effort required in the developing economies

- a. There is presence of indivisibilities in the factors of production
- b. In a closed economy, industries are interdependent
- c. The developing economies have both autonomous and induced factors
- d. The underdeveloped countries have new and modern attitudes

Question Number : 19 Question Id : 4165293994 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Leibenstein not stressed on the role of following factor in economic development

- a. social structure
- b. human capital
- c. technical capital
- d. entrepreneurship

Question Number : 20 Question Id : 4165293995 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Demographic transition (DT) implies the transition from high birth rates and death rates to

- a. Low birth and declining death rates
- b. High birth and low death rates
- c. Low birth and high death rates
- d. Low birth and low death rates

Question Number : 21 Question Id : 4165293996 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The theory of demographic transition is associated with an American demographer called

- a. Robert Malthus
- b. Warren Thompson
- c. Dalton
- d. Keynes

Question Number : 22 Question Id : 4165293997 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

In the present day developed nations, DT began in the

- a. 16th century
- b. 20th century
- c. 19th century
- d. 18th century

Question Number : 23 Question Id : 4165293998 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

There was a potential for a population increase to 256 billion within?

- a. Very low
- b. Excess
- c. Balance
- d. Very high

Question Number : 24 Question Id : 4165293999 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

India is behind in demographic transition process compared to European countries by

- a. Nearly 40 years
- b. Nearly 50 years
- c. Nearly 60 years
- d. Nearly 70 years

Question Number : 25 Question Id : 4165294000 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The less developed regions will experience much of the demographic change up to

- a. 2040
- b. 2035
- c. 2025
- d. 2050

Question Number : 26 Question Id : 4165294001 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The countries with per capita GDP between \$500 and \$10,000 per year are defined as the developed countries

- a. less developed countries
- b. developed countries
- c. more developed countries
- d. middle developed countries

Question Number : 27 Question Id : 4165294002 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Less developed regions will be expected to grow 58 per cent up to

- a. 2040
- b. 2035
- c. 2025
- d. 2050

Question Number : 28 Question Id : 4165294003 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Up to 2050, the population growth will be much faster in

- a. Asia
- b. Africa
- c. China
- d. India

Question Number : 29 Question Id : 4165294004 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

When did the world's population reach 7 billion mark ?

- a. 1999
- b. 2001
- c. 2010
- d. 2011

Question Number : 30 Question Id : 4165294005 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical
