Trends and Dynamics of World Population

Section Id : 41652941
Section Number : 1
Section type : Online
Mandatory or Optional: Mandatory
Number of Questions: 100
Number of Questions to be attempted: 100
Section Marks: 100
Display Number Panel: Yes
Group All Questions: No

Sub-Section Number: 1
Sub-Section Id: 41652942
Question Shuffling Allowed : Yes

Question Number : 1 Question Id : 4165293341 Question Type : MCQ Option Shuffling : No Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

When is the world population day?

- a. July 8
- b. August 2
- c. July 11
- d. None of the options

Question Number : 2 Question Id : 4165293342 Question Type : MCQ Option Shuffling : No Display Question Number : Yes
Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which is the most populous country in the world?

- a. China
- b. India
- c. Brazil
- d. Indonesia

Question Number : 3 Question Id : 4165293343 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

What is the projected population increase by 2050?

- a. 4.3 billion
- b. 9.3 billion
- c. 10 billion
- d. None of the options

Question Number : 4 Question Id : 4165293344 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The number of live birth per 1000 population is called?

- a. Death rate
- b. Sex ratio
- c. Birth rate
- d. Fertility rate

Question Number : 5 Question Id : 4165293345 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

It is important to study population for which reason?

- a. Helps in understanding population dynamics
- b. Helps in understanding impact of population growth
- c. Helps in shaping policies
- d. All of the above

Question Number : 6 Question Id : 4165293346 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

What do you mean by Demes?

- a. Earth
- b. Population
- c. People
- d. Environment

Question Number : 7 Question Id : 4165293347 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Number of live Births per 1000 population in a given year is called as

- a. Crude Birth Rate
- b. Crude Death Rate
- c. Infant birth rate
- d. Total fertility rate

Question Number : 8 Question Id : 4165293348 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

If the Crude birth rate is greater than the Crude Death rate, then the population will be

- a. Increasing
- b. Decreasing
- c. Remain same
- d. None of the options

Question Number : 9 Question Id : 4165293349 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Demography is the study of?

- a. Population
- b. Human development
- c. Animals
- d. None of the options

Question Number : 10 Question Id : 4165293350 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Movement of people from one place to the other is called?

- a. Immigration
- b. Emigration
- c. Migration
- d. All of the above

Question Number : 11 Question Id : 4165293351 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

What percentage of World Population is urbanized as per the World population datasheet 2014?

- a. 50%
- b. 65%
- c. 20%
- d. None of the options

Question Number : 12 Question Id : 4165293352 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The spacing of people over the earth's surface is known as?

- a. Demography
- b. Density
- c. Population Distribution
- d. None of the options

Question Number : 13 Question Id : 4165293353 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The word spatium means?

- a. Space
- b. Colour
- c. Value
- d. None of the options

Question Number : 14 Question Id : 4165293354 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Dot method of population distribution makes use of which symbol?

- a. Circles
- b. Cross
- c. Dots
- d. None of the options

Question Number : 15 Question Id : 4165293355 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which amongst these are considered to be geographical factors affecting population distribution?

- a. Soils
- b. Climate
- c. Landforms
- d. All of the above

Question Number : 16 Question Id : 4165293356 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Population per square kilometre is defined as?

- a. Population distribution
- b. Population density
- c. Population composition
- d. None of the options

Question Number : 17 Question Id : 4165293357 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Population Distribution can be studied through

- a. Dot map
- b. Line graphs
- c. Histogram
- d. None of the options

Question Number : 18 Question Id : 4165293358 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Population distribution is influenced by which of the following?

- a. Climate
- b. Soil
- c. Resources
- d. All of the above

Question Number : 19 Question Id : 4165293359 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

which amongst these cannot be responsible for dense population?

- a. Developed means of transport and communication
- b. Extreme Temperatures
- c. Fertile Soil
- d. None of the options

Question Number : 20 Question Id : 4165293360 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The knowledge of Population Distribution is important to which of the following people?

- a. Planners
- b. Politicians
- c. Educationist
- d. All of the above

Question Number : 21 Question Id : 4165293361 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Migrants residing in more developed regions increased to what percentage in 2013?

- a. 59%
- b. 69%
- c. 79%
- d. 89%

Question Number : 22 Question Id : 4165293362 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of the following is an indicator of mortality?

- a. Crude Death Rate
- b. Maternal Mortality Rate
- c. Child Mortality
- d. All of the above

Question Number : 23 Question Id : 4165293363 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The average number of children born to a woman is defined as ?

- a. Fertility
- b. Crude Death Rate
- c. Child Mortality
- d. All of the above

Question Number : 24 Question Id : 4165293364 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The shifts in demographic features over time refer to?

- a. Population Trends
- b. Population Swings
- c. Population Mood
- d. All of the above

Question Number : 25 Question Id : 4165293365 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

By 2030 How much percentage of population in developed regions is expected to reside in urban areas?

- a. 80%
- b. 83%
- c. 69%
- d. 79%

Question Number : 26 Question Id : 4165293366 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The measurable changes in the patterns of population of a region overtime is called?

- a. Population Trends
- b. Population Composition
- c. Population Distribution
- d. All of the above

Question Number : 27 Question Id : 4165293367 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Knowledge about population trends helps in?

- a. Identifying Community Needs
- b. By Planners
- c. Allocate Resources
- d. All of the above

Question Number : 28 Question Id : 4165293368 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

In 2014 Total Fertility rate for the world was?

- a. 1.6
- b. 2.5
- c. 1.9
- d. 3.5

Question Number : 29 Question Id : 4165293369 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Number of International migrants in 2013 was?

- a. 232 Million
- b. 282 Million
- c. 212 Million
- d. 432 Million

Question Number : 30 Question Id : 4165293370 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which of the following is not a reason for migration?

- a. Political Stability
- b. Transportation
- c. Health services
- d. All of the above

Question Number : 31 Question Id : 4165293371 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Changes in population from high rates of birth and death to low rates of birth and death are called?

- a. Population explosion
- b. Demographic transition
- c. Population momentum
- d. None of the options

Question Number : 32 Question Id : 4165293372 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Theory of Demographic Transition was propounded by?

- a. W. S Thompson and F.W. Notestein
- b. Thomas Malthus
- c. Rosenstein Rodan
- d. None of the options

Question Number : 33 Question Id : 4165293373 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

During fifth stage of transition population growth rate can become?

- a. Negative
- b. Positive
- c. Stationary
- d. None of the options

Question Number : 34 Question Id : 4165293374 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The classical Demographic Transition model is based on experience of which part of the world?

- a. Eastern Europe
- b. Middle East
- c. Western Europe
- d. None of the options

Question Number : 35 Question Id : 4165293375 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Factors that link conflict to demographic factors are?

- a. Technology
- b. State
- c. Perceptions
- d. All of the above

Question Number : 36 Question Id : 4165293376 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Age structure is also better known as?

- a. Age composition
- b. Age pyramid
- c. Population composition
- d. None of the options

Question Number : 37 Question Id : 4165293377 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The ratio of the sum of the population aged 0-14 and 65 and above to population between ages 15 to 64 years per 1000 is called?

- a. Working Ratio
- b. Total dependency ratio
- c. Young dependents
- d. None of the options

Question Number : 38 Question Id : 4165293378 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The age at which exactly half the population is young and the other half is old is called?

- a. Median age
- b. Centre age
- c. Mean age
- d. None of the options

Question Number : 39 Question Id : 4165293379 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The phenomena due to which older people become a larger share of population is called?

- a. Migration
- b. Immigration
- c. Ageing
- d. None of the options

Question Number : 40 Question Id : 4165293380 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Population pyramids provide information about which of the following?

- a. Age composition
- b. Sex composition
- c. Age and sex composition
- d. None of the options

Question Number : 41 Question Id : 4165293381 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which amongst these is not a form of life table?

- a. Cohort life table
- b. Partial life table
- c. Complete life table
- d. Abridged life table

Question Number : 42 Question Id : 4165293382 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

A life table provides information about?

- a. Population age structure
- b. Population growth rate
- c. Population survivorship pattern
- d. All of the above

Question Number : 43 Question Id : 4165293383 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

When was the Cairo conference on population and development held?

- a. 1999
- b. 2000
- c. 1995
- d. 1994

Question Number : 44 Question Id : 4165293384 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The first life table was prepared by?

- a. John Graunt
- b. Adam Smith
- c. Arthur Lewis
- d. None of the options

Question Number : 45 Question Id : 4165293385 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

A life table is also called:

- a. Actuarial table
- b. Expectancy table
- c. Population Table
- d. None of the options

Question Number : 46 Question Id : 4165293386 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The labour force includes the following:-

- a. Employed
- b. Unemployed
- c. Employed and unemployed
- d. None of the options

Question Number : 47 Question Id : 4165293387 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The number of persons in the civilian labour force as a percentage of civilian non institutionalised population of age 16 or over is called?

- a. Labour force participation rate
- b. Employment population ratio
- c. Unemployment ratio
- d. None of the options

Question Number : 48 Question Id : 4165293388 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The 13th ICLS conference recommended which of the two measures of the economically active population?

- a. Labour force and workforce
- b. Not currently active and not usually active
- c. Currently active and usually active population
- d. None of the options

Question Number : 49 Question Id : 4165293389 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The decline in the number of births between the late 1920s and 1930s is called?

- a. Birth dearth
- b. Baby bust
- c. Baby boom
- d. None of the options

Question Number : 50 Question Id : 4165293390 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The significant increase in the number of births between 1964 and 1964 is called as?

- a. Baby bust
- b. Baby dearth
- c. Baby boom
- d. None of the options

Question Number : 51 Question Id : 4165293391 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Investing in Sexual and Reproductive health is important for which of the following reasons?

- a. Poverty Reduction
- b. Female Education
- c. Gender Equality
- d. All of the above

Question Number : 52 Question Id : 4165293392 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

As per WHO what are the important components of good Sexual and Reproductive health?

- a. Ensuring contraceptive choice and safety
- b. Improving maternal and new-born Health
- c. Reducing sexually transmitted infections including HIV
- d. All of the above

Question Number : 53 Question Id : 4165293393 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which amongst the following explain the trends in Sexual and Reproductive Health Globally?

- a. High maternal mortality rates
- b. fully met contraception need
- c. Rare chances of HIV
- d. None of the options

Question Number : 54 Question Id : 4165293394 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

In most African countries the age at first sex is in what range?

- a. 30-35 years
- b. 16-18 years
- c. 10 -12 years
- d. None of the options

Question Number : 55 Question Id : 4165293395 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Lowest rates of contraception use were found in which region?

- a. South Africa
- b. West Africa
- c. Sub Saharan Africa
- d. None of the options

Question Number : 56 Question Id : 4165293396 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Family planning is also known as?

- a. Abortion
- b. Contraception
- c. Birth Control
- d. None of the options

Question Number : 57 Question Id : 4165293397 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Family planning can help in which of the following ways?

- a. Educating and Empowering people
- b. Reducing unintended pregnancies
- c. Slowing population growth
- d. All of the above

Question Number : 58 Question Id : 4165293398 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

What challenges have been faced by Africa in achieving Family Planning?

- a. Weak Policy Support
- b. Inadequate resources
- c. Late program implementation
- d. All of the above

Question Number : 59 Question Id : 4165293399 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Africa has experienced changes in which of the following?

- a. Changes in CPR
- b. Changes in unmet need
- c. Changes in choice of contraceptive method
- d. All of the above

Question Number : 60 Question Id : 4165293400 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

What remedial measures can be taken to achieve Family Planning in Africa?

- a. Donor Support is essential
- b. Increasing Resources
- c. Public Service Participation
- d. All of the above

Question Number : 61 Question Id : 4165293401 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The process by which relative share of persons at older age increases is called?

- a. Aging
- b. Urbanization
- c. Migration
- d. None of the options

Question Number : 62 Question Id : 4165293402 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

The population of seniors is projected to increase to what amount in 2050?

- a. 7 billion
- b. 1.5 billion
- c. 4 billion
- d. None of the options

Question Number : 63 Question Id : 4165293403 Question Type : MCQ Option Shuffling : No Display Question Number : Yes Single Line Question Option : No Option Orientation : Vertical

Correct Marks : 1 Wrong Marks : 0

Which amongst the following are the implications of aging in America?

- a. Shortage of healthcare workforce
