1) Read the following passage and answer the question that follow, by choosing the most appropriate option:

Our freedom was won with great struggle and sacrifice after centuries of servitude to foreign rule, and it is important that those of us who belong to the post-independence generation should not fall into the error of taking our freedom for granted. The maintenance and strengthening is a task even more onerous than its attainment.

In any nation, the youth necessarily forms the vanguard in most spheres of activity, and it is essential that at this critical juncture its power must be mobilised further to strengthen our integrity and our capacity to resist aggression. What is required is an immense burst of idealism and energy among our youth, who must be deeply committed to the task of safeguarding this great nation of ours founded on the twin ideals of secularism and democracy. In particular, our young men and women studying in schools, colleges and universities have a special responsibility. They constitute an immense reservoir of strength which, if properly canalised, can prove to be a source of great power to the nation.

Q) In the above lines, the author is urging the youth to:-
