| 8 | 8 | Runners who fail to enter the court within two Kho's are declared out for?<br>a) Early Entry<br>b) Late Entry<br>c) Time Out<br>d) None of the above<br><br>1 : a<br>2 : b<br>3 : c<br>4 : d | 1.0 | 0. |
|---|---|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|----|

## Objective Question

|   |   |                                                                                                                                       |     |    |
|---|---|---------------------------------------------------------------------------------------------------------------------------------------|-----|----|
| 9 | 9 | Height of Kho-Kho post is:<br>a) 125 cm<br>b) 120 cm<br>c) 120-125 cm<br>d) None of the above<br><br>1 : a<br>2 : b<br>3 : c<br>4 : d | 1.0 | 0. |
|---|---|---------------------------------------------------------------------------------------------------------------------------------------|-----|----|

## Objective Question

|    |    |                                                                                                                                                                            |     |    |
|----|----|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|----|
| 10 | 10 | The distance between post line and first cross lane for sub junior section is:<br>a) 2.14 M<br>b) 2.10 M<br>c) 2.15 M<br>d) 2.20 M<br><br>1 : a<br>2 : b<br>3 : c<br>4 : d | 1.0 | 0. |
|----|----|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|----|

## Objective Question

|    |    |                                                                                                                         |     |    |
|----|----|-------------------------------------------------------------------------------------------------------------------------|-----|----|
| 11 | 11 | The area between the post lines is called as:<br>a) Court<br>b) Field<br>c) Ground<br>d) None of the above<br><br>1 : a | 1.0 | 0. |
|----|----|-------------------------------------------------------------------------------------------------------------------------|-----|----|

2 : b

3 : c

4 : d

## Objective Question

|    |    |                                                        |       |    |
|----|----|--------------------------------------------------------|-------|----|
| 12 | 12 | How many team blocks should be on ground for one team? | 1.0   | 0. |
|    |    | a) 12                                                  | b) 14 |    |
|    |    | c) 13                                                  | d) 10 |    |
|    |    | 1 : a                                                  |       |    |
|    |    | 2 : b                                                  |       |    |
|    |    | 3 : c                                                  |       |    |
|    |    | 4 : d                                                  |       |    |

## Objective Question

|    |    |                                                              |                      |    |
|----|----|--------------------------------------------------------------|----------------------|----|
| 13 | 13 | The players of the side other than the chasers are known as: | 1.0                  | 0. |
|    |    | a) Active defender                                           | b) Defender          |    |
|    |    | c) Runner                                                    | d) None of the above |    |
|    |    | 1 : a                                                        |                      |    |
|    |    | 2 : b                                                        |                      |    |
|    |    | 3 : c                                                        |                      |    |
|    |    | 4 : d                                                        |                      |    |

## Objective Question

|    |    |                                                                                           |                      |    |
|----|----|-------------------------------------------------------------------------------------------|----------------------|----|
| 14 | 14 | The process of an attacker becoming a chaser and chaser becoming an attacker is known as: | 1.0                  | 0. |
|    |    | a) To give Kho                                                                            | b) Foul              |    |
|    |    | c) Both a & b                                                                             | d) None of the above |    |
|    |    | 1 : a                                                                                     |                      |    |
|    |    | 2 : b                                                                                     |                      |    |
|    |    | 3 : c                                                                                     |                      |    |
|    |    | 4 : d                                                                                     |                      |    |

## Objective Question

|    |    |  |     |    |
|----|----|--|-----|----|
| 15 | 15 |  | 1.0 | 0. |
|----|----|--|-----|----|

In index formula of the Kho-Kho players is measured in.....:

- a) cms                                      b) Meters  
c) Inches                                  d) Both a & b

1 : a

2 : b

3 : c

4 : d

### Objective Question

|    |    |                                                      |     |    |
|----|----|------------------------------------------------------|-----|----|
| 16 | 16 | How many officials are permitted to conduct a match? | 1.0 | 0. |
|----|----|------------------------------------------------------|-----|----|

How many officials are required to conduct a match?

- a) 6                      b) 8  
c) 7                      d) 5

1 : a

2 : b

3 : c

4 : d

### Objective Question

What is minimum number of players required to start a match?

- a) 12                                          b) 9  
c) 15                                          d) 13

1 : a

 $2 : b$ 

3 : c

4 : d

### Objective Question

What is considered as a foul in the following?

- a) Pole dive                      b) Spot dive  
c) Pole Kick                     d) None of the above

1 : a

 $2 : b$ 

3 : c

4 : d

### Objective Question

[illegible]

|----|----|--|-----|----|

Fill in the blank with the most suitable word.

There was an \_\_\_\_\_ response for the marathon.

- 1) overwhelming
- 2) overriding
- 3) extreme
- 4) excessive

1 : 1

2 : 2

3 : 3

4 : 4

#### Objective Question

54 54 1.0 0.

Read the following passage and answer the question given below by choosing the most appropriate option.

Previous investigations into the workings of memory usually tested episodic memory, which describes the recall of specific events, as well as the ability to remember names and the whereabouts of items like car keys. This ability usually remains intact until the mid-sixties, when people often become forgetful of things like recent events and minor details. While some researchers suggest that this well-known decline in episodic memory in the elderly stems from degeneration of the frontal lobes of the brain, many scientists believe that such memory loss is largely due to retirement: after the demands of work stop, most people no longer exercise their mental faculties as strenuously. Thus, regular mental exercise might curtail memory loss.

Question.

What is the primary purpose of the passage?

- 1) to discuss the ways in which a new theory of memory challenges common assumptions
- 2) to explain why past investigations into memory tested only episodic memory.
- 3) to describe recent research into the functioning of the brain.
- 4) to consider the reasons why episodic memory diminished in later years.

1 : 1

2 : 2

#### Objective Question

55 55 1.0 0.

Read the following passage and answer the question given below by choosing the most appropriate option.

Previous investigations into the workings of memory usually tested episodic memory, which describes the recall of specific events, as well as the ability to remember names and the whereabouts of items like car keys. This ability usually remains intact until the mid-sixties, when people often become forgetful of things like recent events and minor details. While some researchers suggest that this well-known decline in episodic memory in the elderly stems from degeneration of the frontal lobes of the brain, many scientists believe that such memory loss is largely due to retirement: after the demands of work stop, most people no longer exercise their mental faculties as strenuously. Thus, regular mental exercise might curtail memory loss.

Question

What does the passage suggest?

- 1) episodic memory is not the only kind of memory
- 2) episodic memory improves after retirement
- 3) episodic memory is the only kind of memory found in humans
- 4) physical exercise increases episodic memory
