Read the following passage carefully and the questions that follow.

Greek architecture of the great age is the expression of men who were, first of all, intellectual artists, kept firmly within the visible world by their mind, but, only second to that, lovers of the human world. The Greek temple is the perfect expression of the pure intellect illumined by the spirit. No other great buildings any where approach its simplicity. In the Parthenon straight columns rise to plain capitals; a pediment is sculptured in bold relief; there is nothing more. And yet -there is the Greek miracle-this absolute simplicity of structure is alone in majesty of beauty among all the temples and cathedrals and places of the world. Majestic but human, truly Greek. No superhuman force as in Egypt; no strange supernatural shapes as in India; the Parthenon is the home of humanity at ease , calm, ordered, sure of itself and the world. The Greeks flung a challenge to nature in the fullness of their joyous strength. They set their temples on the summit of a hill overlooking the wide sea, outlined against the circle of the sky. They would build what was more beautiful than hill and sea and sky and greater than all these. It matters not at all if the temple is large or small; one never thinks of the size. It matters not how much it is in ruins. A few white columns dominate the lofty height at Sunion as securely as the great mass of the Parthenon dominates all the sweep of sea and land around Athens. To the Greek architect man was the master of the world. His mind could understand its laws; his spirit could discover its beauty.

दिए गए गद्यांश को ध्यान से पढ़कर पूछे गए प्रश्नों के उत्तर दीजिए।

हिन्दी सेवकों के लिए हिन्दी के सहज, जनतांत्रिक, गरिमा और रसमय रूप को बचाने की चुनौती ही सबसे अहम् और चिन्ताजनक है। सबसे बड़े जनाधार वाली भाषा होने के कारण बाजार उस पर घात लगाए बैठा है। विकास के बाजारवादी मॉडलों के चलते भाषा के सारे जाने-पहचाने शब्द, मुहावरे, वाक्य-विन्यास, प्रतिमान बदल गये हैं। मातृभाषाओं का दूध सूख गया है। अब यदि हिन्दी राज्य-भाषा बनती है तो वह 'हिंग्लिश' कहलायेगी। अब शायद हिन्दी-समाज को लगने लगे कि हिन्दी के जनतांत्रिक रूप को बचा सकना केन्द्र और राज्य सरकारों का मनोबल और कोई भी अच्छा, ईमानदार और लोकहित में काम करने की शक्ति 'बाजारवाद' ने क्षीण कर दी है।

किन्तु क्लेश इसका भी है कि भाषा को यानी हिन्दी को बचाने और समृद्ध करने का जन-उत्साह भी अत्यधिक कमजोर पड़ गया है। भाषा आनंदोत्सव न होकर कमाई का जरिया हो गई है। मध्यवर्ग ने अंग्रेजी के सामने घुटने टेक दिये हैं। विदेशी तकनीक के साथ ही विदेशी भाषा का दबदबा कायम हो गया है। गाँव के लोग अपनी गरीबी और बदहाली का कारण अंग्रेजी से वंचित रखे जाने को मानते हैं। हिन्दी-पट्टियों में असंख्य अंग्रेजी स्कूल धड़ल्ले से अपना धंधा कर रहे हैं।
