NTA Scores are normalized scores across multi-session papers and are based on the relative performance of all those who appeared for the examination in one session. The marks obtained are converted into a scale ranging from 100 to 0 for each session of examinees. NTA score is not the same as the percentage of marks obtained.

The NTA Score of a Candidate has been calculated as follows:

$$\frac{100 \times \text{Number of candidates appeared in the 'Session' with raw score EQUAL TO OR LESS than the candidate}}{\text{Total number of candidates who appeared in the 'Session'}}$$

After both Sessions of the JEE (Main) - 2025 Examination for Paper 2, the ranks of the candidates will be released taking into consideration the best of the two NTA Scores in accordance with the policy already made.

NTA thanks all the Central Government Agencies, State and District authorities, various exam functionaries and all the candidates for all the support extended during the successful conduct of the prestigious JEE (Main) 2025 Session 1.
